# ABOUT US

## The Brothers Markle

At The Brothers Markle, we have been the visual storytellers of many brands since 50 years. With a commitment to unwavering dedication to excellence, we have been crafting high-quality signage solutions since our inception. Our journey began with a shared passion for artistry and a vision to transform spaces through creative signage using modern technology with traditional craftsmanship.

**INSTALLED  
PROJECTS**

**25K+**

**YEARS  
EXPERIENCE**

**50+**

Our extensive range of services start from Channel Letters to Custom Architectural Signage, Cut Out Letters, Illuminated and Non-illuminated signs, Neon signs, Large format prints, Pylon signs, Recognition and donor wall signs, Vehicle graphics, Vinyl graphics and Way finding signage. We consider each project as a unique opportunity for us to blend artistry with functionality, resulting in signages that 'Capture Attention with the Right Message.'

# EXPERTS

## at Your Service

We believe that collaboration is the key to delivering best signage solutions that resonate with your brand identity. At The Brothers Markle, we understand the importance of durability in signage. This understanding inspires us to use only the finest materials and cutting-edge technology to create signage that stands the test of time. We have the expertise to make it happen.

## CREATIVE APPROACH

### INITIAL BRIEFING

The initial briefing for our Signage service involves client consultation and site assessment to align with unique requirements and ensure effective signage.

### DESIGN AND PROTOTYPE

In Design and Prototype phase of our Signage service, our team creates and refines sign designs and produces prototypes for client review and approval.

### MANUFACTURE

In the Manufacturing phase of our service, we bring the approved design to life, meticulously crafting and assembling the signage with precision and attention to detail that aligns with the objectives of the client.

### INSTALLATION

In this final phase, our team of experts ensure the safe and accurate placement of the signage at its designated location, optimizing visibility and desired impact.

# SERVICES

## 1. CHANNEL LETTER SIGNS

Signs function as silent messengers in Toronto's changing urban scene, communicating important information, directing us and leaving a lasting impression. Channel Letter Signs stand out as distinct and appealing aspects among these elements. We have mastered the technique of Channel Letter Signs at The Brothers Markle, upgrading Toronto's signage scene with precision and perfection.

## 2. ARCHITECTURAL SIGNAGE

Architectural signage has a subtle but significant impact on the urban experience in the centre of a busy city like Toronto. The Brothers Markle are proud of their ability to provide a service that is exceptional in every way. Our passion to producing architectural signs of the highest calibre is motivated by a combination of artistry

### 3. CUT OUT LETTERS & PLAQUES

To stand out in the crowded scene of Toronto's commercial sector, a well-crafted and eye-catching sign is needed. Enter "Cut Out Letters," a service provided by The Brothers Markle that is meant to boost your brand's visibility and leave a lasting impression.

### 4. ILLUMINATED SIGNS & NON-ILLUMINATED SIGNS

In the bustling metropolis of Toronto, where every business competes for attention in a sea of advertisements, having a distinct and captivating presence is crucial. One way to achieve this is through illuminated signs and non-illuminated signs, both of which are expertly offered by The Brothers Markle.

## 5. NEON SIGNS

Neon Signs are more than just signs; they're a blend of art and business. These captivating displays can transform any setting into a visual masterpiece. At "The Brothers Markle," we bring this artistry to life in Toronto.

## 6. LARGE FORMAT PRINTING

Large Format Prints are more than just visuals; they are a canvas for imagination. These impressive prints are perfect for a wide range of applications, and at "The Brothers Markle," we specialize in turning your vision into a reality.

# VISUAL IMPACT

## 7. PYLON SIGNS

Pylon Signs are more than just signs; they are towering symbols of your brand's presence in Toronto. These eye-catching structures are strategically placed to catch the attention of both pedestrians and motorists, making them a powerful marketing tool for your business.

## 8. RECOGNITION AND DONOR WALL SIGNS

In the vibrant city of Toronto, where every step forward is a shared journey, the art of recognition finds its voice through Recognition and Donor Wall Signs.

## 9. VINYL GRAPHICS

Vinyl graphics are a canvas for creativity and communication. With this adaptable medium; patterns, slogans and artwork are printed on vinyl material and then adhered to a variety of surfaces; including storefront windows, car exteriors and interior walls. The outcome is striking and powerful signage that may deliver messages, improve branding or just add aesthetic appeal to an area.

## 10. VEHICLE GRAPHICS

Vehicle graphics have evolved beyond mere branding—they are mobile billboards that can travel across the city, reaching a diverse audience. “The Brothers Markle” excel in transforming ordinary vehicles into extraordinary marketing tools.

## 11. WAYFINDING SIGNAGE

Effective navigation is essential in a busy city like Toronto, where life pulses through the streets. The value of having a clear direction becomes paramount, whether you're a local navigating the city's ever-changing urban landscape or a tourist taking a visit in the city's cultural attractions. Enter The Brothers Markle and our top-rated wayfinding signage solution, which will expertly lead you through Toronto's convoluted network of streets and locations.

The  
**Brothers  
Markle**

We are dedicated to delivering exceptional signage solutions that elevate your brand and leave a lasting impression. Whether you need eye-catching outdoor signs, interior branding, or vehicle graphics that turn heads, we have the expertise to make it happen.
